

## About the University

Kenya Methodist University (KeMU) is a Chartered Private University which has continued to play a major role in higher education sector since its establishment in 1997. The University's vision, mission, philosophy and core values have provided direction in its growth and development in academic, research and service to the community.

KeMU has five campuses: Main Campus - Meru, Nairobi Campus (KeMU Towers & KeMU HUB), Mombasa Campus (Buxton House), Nakuru Campus (Mache Plaza), Nyeri Campus (Rware Building) and three centres: Meru Town, Maua and Marimanti.

### Vision Statement

To be a leading World Class University, raising a new generation of transformational leaders, who are well grounded in their professional and academic expertise and committed to spiritual and ethical values.

### Mission Statement

To contribute to the transformation of our society by providing high quality education that promotes excellence in scholarship, research and selfless service to the community.

### Philosophy of the University

The University's philosophy is to foster the intellectual, spiritual and physical development of the wholesome individual in order to recognize and utilize the available opportunities for enhancement of human development with the appropriate recognition and respect for other creations. This philosophy is therefore based on the belief that God is the Creator of Heaven and Earth, the fountain of knowledge, and that the application of knowledge and skills should be guided by Christian values and principles.

## About the Programme

Welcome to the Kenya Methodist University School of Medicine and Health Sciences. The faculty and staff of the Nursing

Department are pleased that you are interested in the Master of Science in Nursing Education program.
