DEPARTMENT

OF

COMPUTER SCIENCE

**INDUSTRIAL ATTACHMENT
LOG BOOK**

INTRODUCTION

As part of Industrial Attachment requirement, a student is expected to daily account activities undertaken during the attachment period. The logbook acts as a record of the student daily activities and helps the student write the attachment report. By completing the logbook regularly, a student will become more aware of his/her development areas and personal strengths. And help the student make the most of the internship experience.

Please note:

- b) The logbook will be handed over together with the industrial attachment report.
- c) The log book should be signed by the assigned supervisor in the attached institution every week of the attachment period.
